Workshop – Alcohol

In residence we are committed to ensuring the safety and well-being of every person living in our communities. Our Educational Sanctions have been designed to promote our goals and enlist your assistance in achieving them. You will find the instructions for your sanction listed below.

Learning Outcomes

The goals of this sanction are as follows:

- Understand the health effects and the physiological mechanisms surrounding alcohol.
- Reflect on personal alcohol use and how that affects your health choices.
- Consider the impacts of alcohol on one’s community.

Timeline

For sign up information of the workshop you must contact the Residence Student Conduct Assistant at resrules@queensu.ca or 613-533-6000 ext. 79015. You must book an appointment for the workshop within five business days of the date of your Letter of Responsibility with the workshop needing to be completed within three weeks of the date of the Letter of Responsibility.

If you require any accommodations to complete your educational sanction, contact the Residence Student Conduct Office at resrules@queensu.ca or 613-533-6000 ext. 78102/79015.

If you choose not to complete the educational sanction by the due date a $50 Fine (Level One) or $100 Fine (Level Two/Three) will be placed directly onto your SOLUS account. If you have any questions or concerns regarding this educational sanction or our conduct process, please contact the Residence Student Conduct Office at resrules@queensu.ca.

Note, there will also be a $30 Fine charged by Student Wellness Services (SWS) to your SOLUS account for a ‘No Show’ to a scheduled workshop.

Instructions

These workshops are designed to engage you in conversation and to provide interesting perspectives and ideas regarding the consumption and use of alcohol. Please bring a pen with you.

Deliverables

Please arrive prepared and on time to Student Wellness Services (SWS) located at 140 Stuart St. Your attendance will be noted and facilitated by a representative of Health Education and Health Promotion Programs, and/or by a Peer Health Educator.
