November 2017 Edition

Helping students succeed

Your student may be feeling stressed about upcoming Fall term exams. [Student Academic Support Services \(SASS\)](#) provides free and confidential services to help with time management, motivation, taking notes, and more. If your student wants to make an exam preparation plan but isn't sure where to start, they can also meet one-on-one with a [Learning Strategies Advisor](#), located in Stauffer library.

Quiet Hours

Quiet Hours (22 hours each day) in residences begin on November 26th at 9:00 p.m. and continue every day from 9:00 pm to 7:00 pm the next day. This provides a quiet study environment for students in residence. If your student prefers studying away from residence, we have an excellent [Study Spaces map](#) with alternative locations.

Holiday planning

Are you making travel plans for the holidays? Please note that in order to maintain a quiet study environment, students are required to vacate residences no later than 24 hours after completing their last exam. If there is a reason that they need to stay longer, they must request approval to do so using our Stayover Application form, which will be available online in November through the [student web](#).

Students who plan to stay in residence over the holidays should register with us using the [Stayover Application form](#), which will be available in November. Please note that the campus is completely closed with no services as of 4:30 p.m. on December 22nd and will re-open on Tuesday January 2nd, 2018. Dining halls will open on January 6, 2018. Campus Security is available to respond to emergencies through the holiday shutdown period and Residence Life will be providing students with support through an on-call Don, as well as information about community services and events occurring over the holidays.

An ounce of prevention

Flu shots are available in a number of locations around Queen's campus this year, including [DrugSmart Pharmacy](#) on campus.

Your student studies long hours, make sure they have plenty of snacks to keep them on track!

Send them a Healthy Study Box or add Flex \$ to their student card!
