

# Campus Connection

March 2018 Edition

There are just a couple of months left in the academic year, which means your student may be thinking about exams, summer jobs and where to live next year:

## Gearing up for final exams

There are a number of great resources on campus to help students build skills and get organized. [Student Academic Success Services \(SASS\)](#) offers learning strategies workshops, a writing centre and peer support. [Library staff](#) can also provide great tips for making the most of library resources.

Exam schedules are posted in [SOLUS](#), our online student information centre. Students who are feeling stressed can also access stressbuster resources at [Student Wellness Services](#).

## Looking for a summer job

Summer jobs are a great way for students to gain real-world experience during their studies. [Queen's Career Services](#) offers a wealth of information about job opportunities both on-campus and across Canada in a number of different fields.

## Summer studies

Some students wish to continue their studies throughout the summer. [The Bader International Study Centre](#) (our very own castle in England!) offers a number of [summer courses](#) and the chance to study while exploring Europe.

## Planning flights for the end of term?

Please note that, in order to maintain a quiet study environment, students are required to vacate Residences no later than 24 hours after completing their last exam. If there is a reason that they need to stay longer, they must request approval to do so using our Stayover Application Form. Please note that all Residences close at noon on April 27, 2018 - all students must vacate by that time.

Is your student looking for a place to live? [Queen's Community Housing](#) has [house and apartment listings](#) from both [university-owned units and rentals from local landlords](#).

## Important Dates:

**March 1:** [Majors Night](#)

**March 2:** Last date to drop winter and multi-term classes

**March 7:** Last day to [report an exam conflict](#) and [register for accommodations for April exams](#)

**March 11:** Daylight Saving time begins (clocks move 1 hour forward)
