Support for Exams

This is a busy time for students as they finish up assignments and prepare for their final exams.

Student Academic Success Services offers a number of resources, including one-on-one appointments, study schedules, workshops and writing consultations.

Quiet Hours in Residences will start on Sunday, April 7, 2019 at 8:00am, with courtesy hours from 7pm-9pm each day. Hospitality Services will be providing exam treats in Residences at different times throughout the exam period.

Make sure your student is fueled up for finals! Our QGifts website makes it easy to add funds to their student card for coffee and snacks!
Moving out of Residence

Students are also preparing to pack up and say farewell to Residences. We’ve provided them with guidance, including information about room inspections, key return, and where to donate unwanted items. Our website has full details, including a move-out checklist and summer storage options.

In order to maintain a quiet and respectful study environment in our buildings, students are required to vacate their room no later than 24 hours after the beginning of their last exam. Should they have extenuating circumstances that require them to stay past that deadline, they may request approval by filling out the April Residence Extension Request Form, accessed through the Student Gateway. The deadline for extension request is April 5th. Students who don’t have final exams must move out by noon on April 10, 2019.

All Residences close at noon on April 28th, and all students must vacate by that time. Students with specific academic requirements past the move-out date will receive specific instructions by e-mail.

Students must arrange for a room check prior to moving out, and must return all issued keys on the day they move out (keys cannot be returned after that time). Additional charges will apply for:
- any additional cleaning and/or removal of left items
- failure to complete a room check
- any keys not returned
- failure to check out by their move-out date

Storage Units

Need local storage over the summer? Our website has a list of off-campus storage companies.

Address Changes

We’ll be reminding students to change their address with credit card companies, banks and other services. Canada Post does not redirect mail for students; all mail (except magazines) is returned to sender.

Off-Campus Meal Plans

Is your student living off campus next year? Our off-campus meal plans are a convenient way to help them stay healthy and grab food on campus between classes. Hospitality Services has 8 different off-campus meal plans to suit your student’s lifestyle and appetite.
