1 **General Terms and Conditions**

1.1 This Residence Contract (the “Contract”) is a legally binding document between you (the “Student” or “you”) and Queen’s University (the “University”). It is in place so that expectations are clear and to help reduce misunderstandings between the University and the Student. This Contract does not become effective until receipt by the Student of an Offer of Residence from the University and the Student executes this Contract.

1.2 In executing this Contract, the Student understands and agrees that they are waiving certain legal rights. It is very important for you to read and understand this Contract before committing to live in Residence.

1.3 This Contract is for a space in Residence and not for a particular room. The Student agrees that the University may, in its sole discretion, change the Student’s room assignment upon giving the Student such advance notice of the change as is reasonable in the circumstances giving rise to the change.

1.4 The construction, renovation, or repair in Residences, or in the vicinity of the Residences, is necessary for the evolution of the campus and community and may cause noise and inconvenience for some or all residents. While the University will attempt to minimize disruptions, the University is not liable for any fee adjustments or any other compensation to the Student for any inconvenience to the Student resulting from such work.

1.5 Residence is a high-density living environment that can be noisy and distracting at times. Although Residence Community Standards are in place, you should consider whether the nature of this living environment is conducive to your needs.

1.6 In all communities, regulations are necessary for the comfort and well-being of the community members. You are, as are all students in residents, required to conduct yourself according to standards of courtesy and respect for others and the reputation of the University.

1.7 All students living in Residence are subject to the Residence Community Standards and all applicable University policies, regulations, rules and protocols, including without limitation the Queen’s University Student Code of Conduct and the Policy on Sexual Violence Involving Queen’s University Students (the “Rules”). The Rules are in place to ensure the privacy, health, safety, and security of students living in Residence, and for the protection of University property.

1.8 The Student agrees to comply with the Rules as a condition of living in Residence. The Student understands and agrees that the Rules may be amended or updated from time to time in the University’s sole discretion and that they are required to comply with all amended or updated Rules as a condition of living in Residence.

2 **Public Health Terms, Condition, Assumption of Risk, Waiver & Release**

2.1 The Student acknowledges that in March of 2020 the World Health Organization declared a global pandemic in connection with the virus that causes COVID-19 (the “Virus”).

2.2 The Student acknowledges that the Government of Canada, the Province of Ontario, local governments and local public health units are responding to the pandemic declaration by enacting a variety of statutory amendments, regulations, orders by-laws, and public health orders, initiatives, requirements and recommendations.

2.3 The Student understands that the University is legally required to operate Queen’s Residences in accordance with all applicable laws, including the Occupational Health and Safety Act and the regulations made under it, and in compliance with the advice, recommendations, orders and instructions of public health officials. **As such, the Student undertakes and promises to abide by the University’s**
requirements and directions, as well as the advice of public health officials, in relation to the pandemic.

2.4 The Student will report to the University, at reslife@queensu.ca or 613 533-6790 immediately if they develop symptoms or suspect they may have contracted the Virus, are planning to be tested for the Virus, have been advised by a medical professional or a public health official to self-isolate or to be tested for the Virus. The Student understands that this information may be shared with University staff on a need to know basis for health and safety and/or public health reasons. The Student shall comply with the COVID-19 Residence Student Isolation Protocol, and the Student understands and agrees that failure to do so may result in the Student’s removal from Queen’s Residence; in such circumstances the provisions of paragraph 4.6 shall apply. The Student may also be subject to additional processes under the Student Code of Conduct.

2.5 The Student acknowledges that the University strongly recommends that the Student get an annual influenza vaccination as soon as is reasonably possible to do so once the vaccine is available, unless doing so is medically contraindicated for the Student.

2.6 The Student understands that the Virus is a highly contagious, dangerous, and potentially lethal disease. As such, the Student confirms that they are fully aware that living in Queen’s Residences and receiving the services of Queen’s Residences carries inherent risks related to the Virus and its transmission, which cannot be eliminated notwithstanding the care and precautions taken by the University to mitigate against such risks. The Student understands that the extent of such risks is not fully known and that they include but are not limited to:

- coming into close contact with individuals that may carry and transmit the Virus to the Student;
- coming into contact with objects that may carry and transmit the Virus to the Student;
- transmitting the Virus to other individuals;
- injuries or illness, including death, arising from contact with the Virus, contracting the Virus and/or its treatment.

2.7 The Student confirms that, by choosing to live in Queen’s Residences and receive the services of Queen’s Residences, they have voluntarily undertaken to assume all risk of personal injury, sickness, death, expenses, or other losses that the Student may suffer as a result, directly or indirectly, of the Virus, the exact nature and extent of which are not currently ascertainable or knowable given the uncertain nature of the Virus. Therefore, the Student, in consideration of being permitted to live in Queen’s Residences and receive the services of Queen’s Residences, hereby forever waives, releases, discharges and undertakes not to make any claim whatsoever (action, cause of action, demand, suit, or other form of claim) against, Queen’s University at Kingston or its successors and assigns, and any of its or their past, current or future officers, directors, trustees, employees, agents, volunteers, contractors, in respect of any and all damages, losses, personal injury, sickness or death that the Student may incur directly or indirectly, now or in the future, that are in any way related to the Virus and the Student’s living in or receiving the services of Queen’s Residences. The Student acknowledges that this waiver, release, discharge and undertaking shall be binding on their heirs, executors, administrators, representatives, successors and permitted assigns. The Student understands and acknowledges that this paragraph means they are giving up legal rights and/or remedies that may otherwise be available to them.

2.8 The Student acknowledges that the University may, from time to time, impose additional rules, procedures and protocols as it deems necessary or as it may be required to do by public authorities to mitigate against the risk of the spread of the Virus and/or transmission of the Virus in Queen’s Residences. The Student warrants that they will comply with all such rules, procedures, and protocols. The Student understands and agrees that failure to do so may result in the Student being required to vacate Queen’s Residence. In such circumstances the provisions of paragraph 4.6 shall apply.
3 Move-in and Move-out dates / Campus Closures

3.1 Subject to Sections 4 and 16, this Contract shall be for a period (the “Term”) beginning on your scheduled Move-In Day, which will be communicated to you in August 2020, and ending on the Move-Out date, which is individually determined as follows:

3.2 The Student understands that failure to move in on their scheduled Move-In Day may result in the loss of the assigned Residence bed and could result in no Residence room availability at all for the Student, unless the Residence Admissions Office has given the Student advance written approval for a late arrival; all requests for a late arrival must be submitted by the Student in writing to the Residence Admissions Office.

3.3 During the December-January winter break, no food, custodial services, mail delivery or other Residence services are provided. The Student may, however, occupy their room or an alternate room assigned by the University during this period, provided they have applied for and been granted written permission to do so by Queen’s Residence Life Office. Permission will be in the University’s sole discretion and subject to the Student paying any applicable additional fee(s).

3.4 Failure to move out within the prescribed period as noted will result in additional charges levied against the Student’s account.

4 Cancellation / Termination of Contract

4.1 Prior to picking up keys or occupying a Residence room, this Contract may be cancelled by the Student through written notification to the Residence Admissions Office. The Student may be subject to charges (as indicated in Section 9).

4.2 After the Student has either taken occupancy or picked up keys, the Student cannot cancel this Contract. A Student may request cancellation if withdrawing from the University for academic or health reasons. The Student may be subject to administrative charges.

4.3 Between Move-In and Move-Out, the Student may be granted permission to cancel the Contract by arranging for the room to be occupied by another full-time Queen’s student not currently living in Residence. The Residence Admissions Office must approve the replacement before permission to cancel the Contract will be granted.

4.4 The University may terminate the Contract and provide written notice requiring the Student to vacate Queen’s Residences for breach of this Contract or for violation of the Rules.

4.5 The University may terminate this Contract with written notice if the University determines, in its sole discretion, that it is prudent to do so for health and safety or public health reasons or to maintain the safety, security or wellbeing of the University community, or if it determines it is required to do so by law or government directive, including a directive or order from Ontario Public Health or local Public Health Unit.

7.4 The Student may request a room change after the first day of classes, however permission to change room occupancy is not guaranteed, and the Student shall make no such change without the prior written consent of the Residence Admissions Office.

7.5 The University retains the right to assign the Student to a different room including in another building, if the University determines in its sole discretion that such re-assignment is prudent in the interests of health, safety, well-being of an occupant or occupants and/or the Residence community, discipline, maximization of resources or the administration of the Queen’s Residence program. In the case of re-assignment, the Student will be required to pay the Residence fees (and meal plan if applicable) stipulated for the new accommodation.
