

Dear residence students,

Three new positive cases of COVID-19 have been confirmed in Victoria Hall. These cases relate to earlier identified cases and the affected students are isolating in Smith House.

We have arranged with KFLAPH to do on-site testing of two impacted households today. We continue with the practice of isolating in place, where feasible.

Even at this late stage, it's still critical that if you have symptoms, you be tested. Asymptomatic testing appointments also continue to be available. To book an appointment, contact Student Wellness Services at 613-533-2506 or through their [online booking form](#). Over the weekend, you are able to book an appointment at the [Kingston Assessment Centre](#).

As you prepare to move out, please keep the following guidelines in mind:

- You may have up to two people assist you with moving out.
- Anyone assisting you must fill out the COVID-19 self-assessment via the [SeQure app](#) before arriving, disclosing any symptoms/contacts/direction from Public Health offices in the past 14 days.
- Everyone must wear a face covering and physical distance.
- Empty and tidy your room (remove garbage, recycling, etc.)
- Lock your door
- Return your keys - on main campus to the Victoria Hall front desk, at Jean Royce to the Jean Royce front desk
- For more information, please review the [information on our move out pages](#)

We appreciate your continued diligence in adhering to the public health measures and residence expectations. We wish you success as you complete the term and a safe, responsible move-out.

Sincerely,
The Residence Life and Services Team
