Dear Residents,

Further to our email on Monday, April 19th, today an additional positive case of COVID-19 was confirmed in Chown Hall. The impacted individual, their close contacts and their households have been isolated, and are being tested on-site today.

Your health and safety is our priority and we are in regular contact with KFLAPH as we manage this situation and KFLAPH continue their contact tracing efforts. Please continue to self-monitor for COVID-19 symptoms including fever, difficulty breathing, loss of smell or taste, and other symptoms as outlined here. **If symptoms develop, you must report them immediately (via the Victoria Hall front desk at 613-533-2531), and enter self-isolation while awaiting your test results.**

You should be tested if you have symptoms or have been identified by KFLAPH as a contact of someone with a confirmed positive case of COVID-19. Asymptomatic testing appointments also continue to be available. To book an appointment, contact Student Wellness Services at 613-533-2506 or through their [online booking form](#). Over the weekend, you are able to book an appointment at the [Kingston Assessment Centre](#).

Thank you for taking your responsibilities as a community member seriously by staying safe and limiting the spread of the virus. We know this is a stressful time as you finish your final exams and prepare to move out of residence. If you need support, please review the resources outlined below.

If you have questions, please contact your Residence Life Coordinator, or connect with us through our [website](#) via LiveChat.

Thank you,

The Residence Life and Services Team
